

I really appreciate and enjoy my Satellite Radio. Local stations do not carry on the air the distance needed, so between CDs and Books on Tapes, I was without any other choice until

I appreciate the large variety of programs ranging from music to news to educational

programs. Since I pay for my Satellite Radio, I do not think that NAB should tell me or anyone what is playing on their personal radio. Please reject the NAB petition 04-160. Again, I am paying for it

all and therefore I should have the freedom to choose to what I listen.
